At SVIT, we believe in providing a challenging and a competitive academic atmosphere which prepares you for a promising career. The focus of our institute is the all-round development of the students. We will provide you with ample opportunities of growth and improvement through quality education, co-curricular and special skill development programs.

We encourage our students and faculty to participate in the free and open exchange of ideas and viewpoints while maintaining decorum and discipline. We expect you to uphold all the values that we stand for – Honesty, Hard-work, cooperation and dedication. We pride ourselves in creating future leaders and thinkers who will surge ahead in all times.
