Subject: IMPORTANT: REGARDING BE CHEMICAL SYLLABUS MODIFICATION
From: vasi shaikh (vasi.shaikh@mitpune.edu.in)

Dear All

Greetings...

As you are aware that we need to modify the **BE Chemical Engineering syllabus** which will be applicable from the next academic year. I need your valuable cooperation for the same.

I am attaching here with the list of **Team Members along with Group Coordinator** and their contact details (Email IDs and Cell No.) for the same.

Though the list has limited number of members, the **Group Coordinator** has the liberty to add any faculty or competent person (from industry etc.) to his group and prepare the best possible syllabus.

For the purpose of clarity I am attaching here with the sample format of syllabus (please adhere to this while preparing the syllabus) and a list of all groups and their subjects. This will help you to interact with other groups and rule out the possibility of repetition of same points in other subjects. Also I request the concerned group Coordinators to **add a few New Experiments** of present day relevance to the syllabus.

I request you to kindly prepare/modify the present syllabus and send it back to Prof. S R Shirsat (s.shirsath@gmail.com) for further compilation. It is my request to every Coordinator to make sure to submit the copy of his/her syllabus latest by 15th December 2014.

In addition if anyone has any suggestion regarding the Structure itself, I request them to communicate with me directly (mob no. 9762129694 or on my e-mail account). At this point I must mention here that there are certain bindings on us from University while finalizing the Structure. For example total hours should not be more than 26 (earlier 30), each PR/OR marks 50, maximum PR/OR heads 2 per semester excluding project. Project phase I is compulsory etc.

If everything is done in-time then depending on the availability of time the Board may organize a one day workshop to discuss the syllabus as it was done earlier.

Hoping for the best possible support from all of you as you have been extending in the past.

With regards to the subject coordinator (SR), Please send me a confirmation mail after receiving this mail, regarding your acceptance as subject coordinator for the same.

Thanks and regards,

V. Shaikh V. A. E.

 Board of Studies in Chemical Engineering
