Memorandum of Understanding (MOU)

Between

McKinley Rice and Sir Visvesvaraya Institute of Technology

Effective Date: 18/10/2023

This Memorandum of Understanding (MOU) is intended to establish a collaboration between **McKinley Rice**, the creator of the Red Rob platform (referred to as the "Company"), and **Sir Visvesvaraya Institute of Technology** (referred to as the "Institute"). The collaboration aims to improve the employability and industry readiness of students across different departments at the Institute, with the belief that it will bring significant benefits to all parties involved.

McKinley Rice, India, hereinafter referred to as "**Red Rob**" and **Sir Visvesvaraya Institute of Technology**, hereinafter individually referred to as "the Party" and jointly referred to as "the Parties"; **ACKNOWLEDGING** that;

1. McKinley Rice

2. Sir Visvesvaraya Institute of Technology,

Enter into this Memorandum of Understanding (MoU) aiming at delivering effective skill development and employability solutions for the benefit of the Institute's student body.

Article 1: Scope of Work

1. **Comprehensive Ecosystem:** Red Rob aims to serve as an all-inclusive platform addressing various pain points of employability and skill development. Campuses that partner with Red Rob will gain automatic access to our network of partnered companies for campus placements.
2. **Industry Readiness:** Red Rob will offer programs aimed at preparing students to be industry-ready, thereby increasing their employability.
3. **Student Assessment:** Red Rob will provide AI-driven assessments to evaluate both hard and soft skills of the students, tailoring them to meet the specific needs of various industries.
4. **Analytics & Insights:** Red Rob will offer data-driven insights on student performance and areas for improvement, aimed at bridging the gap between academic learning and industry requirements.
5. **Periodic Review:** The Company and the Institute will conduct quarterly meetings to evaluate the progress and make necessary adjustments to the collaboration.
6. **Skill Development:** Depending on the insights derived from assessments, customized skill development workshops may be planned for the students.
7. **Expanded Placement Opportunities:** Through this partnership, campuses will have an added advantage of being able to offer their students extensive support with campus placements by leveraging Red Rob's corporate partnerships.

Article 2: Terms and Conditions

Data Privacy and Confidentiality: Both parties recognize the importance of safeguarding the privacy and security of data. In compliance with applicable data protection and privacy laws, Sir Visvesvaraya Institute of Technology and McKinley Rice commit to ensuring that all data shared between them will be stored, processed, and transmitted securely. Red Rob by McKinley Rice will implement necessary security measures, including but not limited to, encryption, secure access controls, and regular audits to protect the integrity and confidentiality of all personal and institutional data provided by Sir Visvesvaraya Institute of Technology.

Sir Visvesvaraya Institute of Technology acknowledges that Red Rob, a McKinley Rice product, will collect data solely for the purpose of fulfilling the services outlined in this MOU. Both parties agree to notify each other in the case of any databreach or unauthorized data access, as per applicable laws.

Neither party will disclose or share any confidential information obtained from the other party for any purpose outside of this MOU, unless required by law or mutually agreed upon in writing.

Renewal: This MOU is valid for one year from the Effective Date, and it may be renewed upon mutual agreement of both parties.

Financial Obligations: For the initial year of partnership, both parties agree that there will be no charges incurred for the services and benefits provided by Red Rob under this Memorandum of Understanding. During this first year, complete access to Red Rob's platform and all its features will be provided to Sir

~~Visvesvaraya Institute of Technology at no cost. This arrangement serves as an~~

opportunity for both parties to explore the mutual benefits of this collaboration and optimize the services provided by Red Rob. Post the completion of the first year, the financial terms for continued access and services will be open for discussion and renegotiation.

by both parties. Specific financial obligations, if any, for subsequent years will be mutually agreed upon in writing.

Article 3: Duration and amendment

1. This MoU shall take effect when signed by the authorizing signatories of both the parties.
2. **Effective Date and Duration:** The services as outlined in this Memorandum of Understanding (MOU) will commence on the 4th of October and will continue for duration of one year, unless otherwise terminated in accordance with the 'Termination' clause of this MOU.
3. Amendments to this MoU may be requested, in writing, by either institution and shall take effect following official approval by the authorizing signatories of both institutions.

Termination: This MOU may be terminated prior to the end of its term by mutual agreement between Sir Visvesvaraya Institute of Technology and McKinley Rice. Both parties must provide written consent to confirm the cancellation of this agreement.

By signing below, the parties hereto agree to abide by all the terms and conditions stipulated in this MOU.
