CHAIRMAN'S MESSAGE

Loknete Dr. Balasaheb Vikhe Patil (Padma Bhushan Awardee) Pravara Rural Education Society, Pravaranagar was established by the Pioneer of Cooperative Society in Asia, Padmashri Dr. Vitthalrao Vikhe Patil in 1964, with the aim of bringing quality in the lives of rural people through education. He fiercely advocated Women Empowerment in those days and the education society upholds his values and beliefs even today.

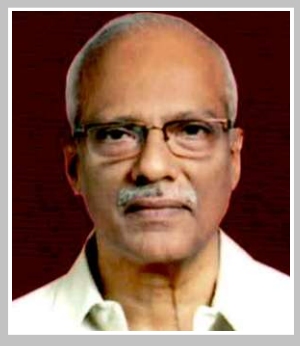

Over the past five decades, the education society has set up 102 institutions imparting quality education ranging from KG to Ph.D under the exemplary vision of Padmabhushan Awardee Late Dr. Balasaheb Vikhe Patil.

The Organisation is transforming education by incorporating latest changes as per the need of the hour. We believe in providing quality education while upholding moral ethos. Over the past five decades, we have a strong alumni network of over 1,29,000 alumni. In tune with our belief that Pravara is a family, we have started the initiative of actively connecting with our Alumni on both National and International levels. The Alumni have been instrumental through engaging their expertise in moulding the youth of today by providing their life changing experiences, mentoring, training & placement assistance, success stories etc. The youth of today would be benefited at large due to this experience sharing which shall enable them to select the proper path in their life by seeing live examples of alumni who have excelled in all walks of life.

We ensure that the students passing out from each of our institutions have the right balance of Technical knowledge coupled with human values which shall enable them to face the world. I invite you all to join us and be a part of Pravara Family.

Radhakrishna E. Vikhe Patil

Chairman,
Loknete Dr. Balasaheb Vikhe Patil
(Padma Bhushan Awardee)
Pravara Rural Education Society, Pravaranagar

MESSAGE FROM DIRECTOR GENERAL

To serve the Loknete Dr. Balasaheb Vikhe Patil (Padma Bhushan Awardee) Pravara Rural Education Society, Pravaranagar is not to serve an institution but to follow a dream - a vision given form by Padmashri Dr Vithalrao Vikhe Patil in 1964, carried forward and given shape by his illustrious son the Late Padmabhushan Dr Balasaheb Vikhe Patil and now being carried forward by the Chairman, Shri. Radhakrishna Vikhe Patil.

The vision underlying the PRES is to so upgrade the quality and affordability of education in the rural sector that the potential inherent in rural youth is released for the greater good of the nation and benefits of economic and social growth are more evenly distributed among all sections of society.

Today as a result of the untiring efforts of three generations over the past five decades, this dream has now crystallised into a reality where more than 40,000 students receive quality education in the entire spectrum from Primary to Ph.D.

We invite you to share our dream in the various institutions of the PRES and travel with us on the exciting journey towards self-fulfilment and national well-being.

Dr. YSP Thorat

Director General,
Loknete Dr. Balasaheb Vikhe Patil
(Padma Bhushan Awardee)
Pravara Rural Education Society, Pravaranagar
Former Chairman NABARD

OUR PRIDE-OUR ALUMNI

- Vast network of 1,29,000 alumni.
- Alumni spread across 700 cities and 22 countries across the globe.
- Alumni working at various positions globally across 1765 designations.
- Strong alumni and institute interaction via videoconferencing.
- Alumni involvement in the form of Expert lectures, Motivational sessions, Training & Placement assistance, Industrial Training etc.
- More than 100 activities conducted involving alumni in last 1 year.
- Strong presence of Alumni Chapters in major cities.

Why Study at PRAVARA ?

Because of :

- Qualified and experienced staff, excellent teaching and learning supported by remedial classes.
- Focus on placement through campus interviews. Major recruiters are : Skoda, TATA Motors, ESSAR, BAJAJ, CIPLA, JOHN DEERE, Honeywell Automation, Vodafone etc.
- Value addition courses on application software such as AutoCAD, ATIA, IDEA 10 Pro-E, Ansys 10, Matlab, STAAD PRO, ChemCAD, Rational Enterprise Suite, ISE62, Master CAM, Labview, FFT Analyser, Soft Skill, Computer Technologies, Networking.
- Scholarship from Govt. to candidates admitted through CAP.
- Career Counselling Cell.
- Earn & Learn Scheme for needy students.
- Entrepreneurship Development Cell.
- Book Bank Scheme and Night Library facilities.
- MOUs with various industries for training, industrial visits.
- Expert lectures and placement.
- Strong Alumni Association with support of well placed alumni.
- Hostel for Boys and Girls with all amenities.
- Excellent Gymkhana, Indoor and Outdoor games facilities.
- International Standard Swimming Pool.
- Group Insurance Scheme for students.
- Student Co-operative Store.
- Mentoring Scheme for students.
- Excellent Medical facility available at Pravara Medical Trust's Hospital.
- Dedicated leased lines and Wi-Fi connectivity.
- Cell for guidance and help in obtaining educational loan from Nationalized banks for poor and needy students.
- Pollution free educational campus.
- Agri. & Allied Colleges affiliated to Mahatma Phule Krishi Vidyapeeth, Rahuri, Maharashtra Animal & Fisheries Sciences University, Nagpur and Approved by Maharashtra Council of Agricultural Education and Research, Pune.
Agricultural land of 178 acres with adequate irrigation facility for field and polyhouse experiments.
- Free Skill Development Programmes Approved by Central & State Govts.

Glimpses of Life at Pravara

Creating Noble Minds

Glimpses of Life at Pravara

Eligibility- Technical Courses at a Glance

Eligibility for First Year Engineering Admissions

(1) Maharashtra State Candidature Candidate. -

- (i) The Candidate should be an Indian National;-
- (ii) Passed HSC or its equivalent examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry or Biotechnology or Biology or Technical or Vocational subjects, and obtained at least 50% marks (at least 45% marks, in case of Backward class categories and Persons with Disability candidates belonging to Maharashtra State only) in the above subjects taken together; and Obtained score in MHT-CET 2019. Or
- (ii) Passed Diploma in Engineering and Technology and obtained at least 50 % marks (at least 45 % marks, in case of Backward class categories and Persons with Disability candidates belonging to Maharashtra State only); Or
- (ii) Passed B.Sc. Degree from a Recognised University as defined by UGC. and obtained at least 50 % marks (at least 45% marks, in case of Backward class categories and Persons with Disability candidates belonging to Maharashtra State only) and passed XII standard with Mathematics as a subject;

(2) All India Candidature Candidates, Jammu and Kashmir Migrant Candidature Candidates.

- (i) The Candidate should be an Indian National;
- (ii) Passed HSC or its equivalent examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry or Biotechnology or Biology or Technical or Vocational subjects and obtained at least 50% marks (at least 45% marks, in case of Backward class categories and Persons with Disability candidates belonging to Maharashtra State only) in the above subjects taken together and Obtained score in JEE(Main) Paper I or MHT-CET 2019. Or
- (ii) Passed Diploma in Engineering and Technology and obtained at least 50 % marks (at least 45 % marks, in case of Backward class categories and Persons with Disability candidates belonging to Maharashtra State only); Or
- (ii) Passed B.Sc. Degree from a Recognised University as defined by University Grants Commission and obtained at least 50 % marks (at least 45 % marks, in case of Backward class categories and Persons with Disability candidates belonging to Maharashtra State only) and passed XII standard with Mathematics as a subject;

Direct Second Year (Lateral Entry) Admission,-For Maharashtra State Candidature Candidate & All India Candidature Candidate

- (i) The Candidate should be an Indian National;
- (ii) Passed Diploma Course in Engineering and Technology with at least 45% marks (40% marks in case of candidates of Backward class categories and Persons with Disability belonging to Maharashtra State only) in appropriate branch of Engineering and Technology from an All India Council for Technical Education or Central or State Government approved Institution or its equivalent; Or
- (ii) Passed B.Sc. Degree from a University Grants Commission (UGC) or Association of Indian Universities recognized University with at least 45% marks (40% in case of candidates of Backward class categories and Persons with Disability belonging to Maharashtra State only) and passed HSC with Mathematics as a subject: Provided that students belonging to this category shall clear the subjects of Engineering Graphics/ Engineering Drawing and Engineering Mechanics of the first year Engineering Program along with second year subjects.
- (iii) Any other criterion declared by appropriate authority from time to time.

Diploma in Engineering and Technology

(A) First Year of Post SSC.—

- (i) The Candidate should be an Indian National; (ii) Passed Secondary School Certificate (SSC) or its equivalent, with at least 35% aggregate marks.

(B) Direct Second Year of Post SSC.-

- (i) The Candidate should be Indian National; (ii) Passed Higher Secondary School Certificate (HSC) Science or HSC Science with Vocational or HSC Science with Technical or SSC with 2 years ITI with appropriate specialization.

Eligibility for First Year Pharmacy Admissions

State Candidature Candidates and All India Candidature Candidates.

- (i) The candidate should be an Indian National;
- (ii) Passed HSC or its equivalent examination with Physics and Chemistry as compulsory subjects along with one of the Mathematics or Biotechnology or Biology and obtained at least 50% marks (at least 45% marks in case of Backward class categories and Persons with Disability belonging to Maharashtra State only) in the above subjects taken together;
- (iii) Obtained Score in MHT-CET 2019.

D.Pharmacy: 12th Science Pass (PCB/PCM), Admissions shall be done through CAP.

Undergraduate Course in Architecture (B. Arch.)

(1) Maharashtra State Candidature Candidate, All India Candidature Candidate, Jammu and Kashmir Migrant Candidature Candidate.-

- (i) The Candidate should be an Indian National;
- (ii) Passed HSC or its equivalent with Mathematics and obtained at least 50% marks in aggregate (at least 45% marks in aggregate in case of candidates of Backward class categories and Persons with Disability belonging to Maharashtra state only) or as declared by appropriate authority, from time to time; Or
- (ii) Passed (10+3) Full time Diploma examination recognized by All India Council for Technical Education or Central or State Government or its equivalent examination and obtained at least 50% marks in aggregate (at least 45% marks in aggregate in case of candidates of Backward class categories and Persons with Disability belonging to Maharashtra state only) with Mathematics as compulsory subject or as declared by appropriate authority, from time to time;
- (iii) The Candidate should have Qualified and / or obtained marks in a recognized entrance test in Architecture as declared by the appropriate authority for that year, from time to time.

Aircraft Maintenance Engineering (A.M.E.) Course :

10+2 Science (PCM / Equivalent pass with aggregate of 50% marks) OR Three years Diploma in any branch of Engineering with aggregate of 50% Marks.

B. Sc. Aeronautics Course :

10+2 Science (PCM & English / Equivalent pass with aggregate of 50% marks) OR Three years Diploma in any branch of Engineering, with aggregate of 50% marks. Diploma (10+3) awarded by MSBTE or equivalent by any other Government body in following branches of engineering :Mechanical, Electronics,Electrical, Computer, Information Technology, Automobile, Industrial Electronics, Radio Engineering and Telecommunication, Instrumentation.

Email - pravara.pvpdic@pravara.in

DETAILS

The PVP Art's. Science & Commerce College, Pravaranagar Design Innovation Center started its functioning since July 2018. PVP College's DIC is running five certificate courses of six month duration and nine innovative research projects.

The main objectives of this initiative are to promote **culture of innovation** and creative problem solving, to promote **knowledge sharing** and to enhance interdisciplinary design-focused education, research & entrepreneurial activities.

The DIC is working to fill the gap between a successful laboratory prototype and a committed business venture by providing necessary ecosystem and research to students/ faculty. Through these activities the DIC would become **self-sustaining** over the period of time. The DIC has received the Institution innovation council (IIC) approval from MHRD's Innovation Cell (MIC), New Delhi. The purpose of the IIC is to foster the culture of innovation among the students through various innovative activities.

COURSES FOR ADMISSION

Course Offered

1. Aircraft Maintenance Engineering (AME)

- Avionics Stream (B2)
- Mechanical Stream (B1.1)

2. B. Sc. Aeronautics

- Avionics Stream
- Mechanical Stream

DETAILS

1.ABOUT THE INSTITUTE-

Pravara Rural Education Society (PRES) as a part of its aim to impart quality training in all the fields of education and **Hindustan Aeronautics Limited (HAL)**, Nashik as a part of its **Social Corporate Responsibility (CSR)** have signed an MoU to jointly impart training in the field of Aviation. The institute is located at HAL, Nashik premises. Currently Pravara Rural Education Society's **HAL-Pravara Aviation Institute** offers courses in the field of Aircraft Maintenance Engineering & B.Sc. Aeronautics. The institute has been approved by the Directorate General of Civil Aviation (DGCA), Govt. of India and affiliated to the University of Mumbai.

2. COURSE TIMELINE-

The course consists of Theoretical & Practical Training. The duration of AME & B.Sc. Aeronautics course is three years split into 6 equal semesters of six months each. For AME four semesters will be conducted in the institute and the practical training will be carried out at reputed airlines, whereas for B.Sc. Aeronautics, first to four semesters will be conducted by the institute and last two semesters will be conducted and degree will be awarded by the University of Mumbai.

3. ELIGIBILITY:-

10+2 Science (PCM)/Equivalent pass with aggregate of 50 % marks

OR

Three years Engineering Diploma in Mechanical, Electrical, Electronic & Aeronautical.

4. JOB PROSPECTUS-

There is always a demand for skilled & trained manpower in the Aviation Industry. A career in the aviation industry is well-paid, rewarding and challenging. Successful candidates after passing AME & B.Sc. Aeronautics course have excellent opportunities in Government Sectors, Private Sectors like Private Airlines, Flying Clubs, Institute and Cargo Operators etc.

5. WHY US?

- The only institute in India in association with Hindustan Aeronautics Limited, Nashik.
- Expert faculty of renowned professionals.
- Modern infrastructure with latest multimedia audio visuals systems.
- Result oriented.
- Good vision in Aviation since maximum exposure in HAL premises & reputed Airlines.
- Extra classes and number of mock test at the time of DGCA Modular Exam.
- Technical visit to various reputed Airlines/MRO's.
- Bank loan facility available.

Aim for Sky-Soar High with HPAL.

PRAVARA SCIENCE ACADEMY, PRAVARANAGAR LONI KD

(PRAVARANAGAR) Loni Kd., Tal. Rahata, Dist. Ahmednagar, Pin – 413 736
Email – competiticeexam@pravara.in website <http://www.pravara.in>

DETAILS

The Pravara Science Academy has been established on 01.12.2018 under Pravara Rural Education Society through the inspiration and guidance of Hon'ble Chairman of Pravara Rural Education Society, Namdar Shri Radhakrishna Vikhe Patil Saheb with a aim of nurturing students of Pravara towards the excellence in Entrance in various examinations for admissions at professional educational institutes of repute.

In this era, where there is a competition in every walk of life, one cannot think of getting admitted to professional educational institutions without appearing for a specific competitive/ entrance examination. With this objective in mind and with an eye towards the successful future career of students, Pravara Science Academy is here to support and motivate the students of 13 Junior Science Colleges flourishing under Pravara Rural Education Society with a combined intake of 4080 students at 11th and 12th.

For preparing the young ignited minds for admissions to Engineering, Medical, Pharmacy and Agriculture etc, Pravara Science Academy is currently conducting preparatory classes for MHT-CET, IIT-JEE, NEET examinations at various campuses through dedicated expert faculty members. During the academic year 2018-19, a total 279 students were enrolled and so far, total 177 students are already enrolled for this academic year 2019-20 for different modules.

To imbibe the importance of these entrance examinations on the minds of young students at an early stage, the Academy has decided to introduce IIT Foundation course from 8th standard onwards from Academic year 2019-20 in 06 English medium schools. With the same goal in mind, 1301 out of 1855 students at 8th, 9th and 10th from 06 English Medium schools under Pravara Family appeared for the screening test "Pravara Talent Search Examination PTSE".

PRAVARA INSTITUTE OF SKILL DEVELOPMENT

Pravara Institute of Skill Development is an initiative by PRES towards development of skill amongst the youth, simultaneously benefitting them financially, in consonance with the Central Govt. & State Govt. skill development schemes viz, PMKVY and PMKVUA. A very small proportion of India's workforce has any formal skill training. In this context, skill development has become a key primacy area for our country. This is not only essential for economic development, but would help to achieve youthful aspirations for better remuneration, better job satisfaction and promising self-employment opportunities. These courses will be conducted at all colleges of PRES & will be available free of cost to the students.

I had heard of this Co-operative sugar factory and had some idea of it. But a visit here and learning more about it has been a revelation. Ten years of growth since this was first started has not only shown marked growth but has begun to change this countryside. I would like people from other states to come here and see how a real co-operative is organised and run. This is an example for all India. I wish it further success.
Jawaharlal Nehru
