1. Guidance for competitive examinations:

Gate Coaching classes are organized throughout the year with a separate schedule for each department as the competitive examinations are spread over the whole year. Teachers with specialized knowledge in different disciplines from institute used to deliver lectures and provide coaching and guidance to students. Besides these, group discussions and mock Interviews are organized. The centre also has a core group of eminent professors in different subjects who are actively involved in building the students Career.

2. Career Counseling:

Today, education is very much essential to build a good career. The students are used to wander here and there for right career and best guidance after their school education. Here we are going to provide career counseling guidance for the students who wish to pursue their career after 12th in science field. We refer to those students who are having science group in 12th standard. Science students can appear in CET, **JEE Main** and **NEET** etc. for admission to top engineering and medical colleges of the country receptively.

3. Soft skill development

A basic awareness about the significance of soft skills in professional and inter-personal communications and facilitate an all-round development of personality. Hard or technical skills help securing a basic position in one's life and career. But only soft skills can ensure a person retain it, climb further, reach a pinnacle, achieve excellence, and derive fulfillment and supreme joy. Soft skills comprise pleasant and appealing personality traits as self-confidence, positive attitude, emotional intelligence, social grace, flexibility, friendliness and effective communication skills.

4. Remedial classes:

Remedial classes take place at regular intervals. Extra lectures are also arranged by the faculty for the students to bridge the knowledge gap & enable them to cope with the academic course to which they are enrolled.

5. Bridge Courses:

Bridge courses are offered to students to fulfill the gap between the academic and industry through the industrial visit and expert talk.

6. Yoga & Meditation:

The process of yoga is an ascent into the purity of the absolute perfection that is the essential state of all human beings. This goal requires the removal of our enveloping personal impurities, the stilling of our lower feelings and thoughts, and the establishment of a state of inner balance and harmony. All the methods of yoga are based on the perfection of our personalities and may help to create a new world order.

7. Personal Counseling:

Each faculty involve in the of the programme will supervise the work under the scheme at the institutional level. Separate registers may be maintained for different subjects, Class Teacher, department. At the end of each academic year, the Coordinator will submit, through the Principal, an appraisal report, indicating the Performance of each candidate
