Inaugural function

The inauguration took place on 14th February at seminar hall. The function started with a national anthem, followed by a welcome speech by Prof.V.L.Kadlag, HOD, Mechanical Department.

Chief guest Mr.Ravi Mahadeokar (Strama Summitte, Nashik), in his inspirational speech have explain opportunities for today's engineer in the field of automation. Mr.Sanjay Mahajan (Pooja Industries, Nashik), guest of honor, explains the need of commercialization of engineering projects. The detailed schedule and participation guidelines of each event were then announced.

Project exhibition

Major objective of organizing this exhibition was to provide the platform and unleash the potential of the students by showcasing their innovative projects developed in the Final Year either as Industry Defined Problem or User Defined Problem. More than 400 students participated and exhibited 93 innovative projects from various branches, which were attended by the industry experts, academic experts, higher authorities, all the students and faculty members in the campus.

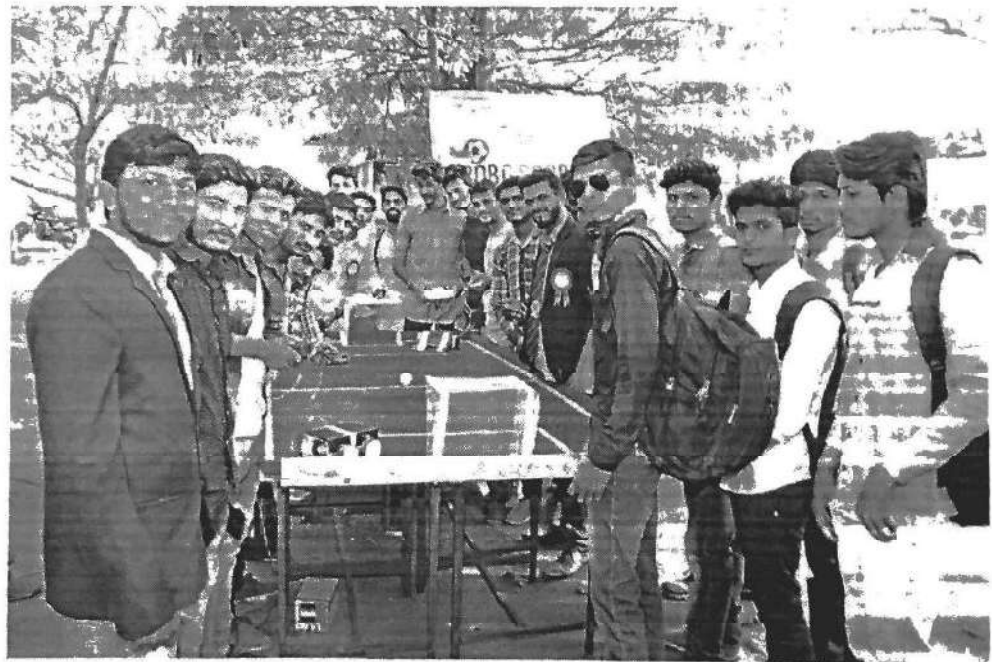

CAD war (2D & 3D)

The competition was organized to provide a platform for design skills of future engineers. AutoCAD and Catia software's were used to analyze the skills of students. More than 160 participants participated in this competition.

Valedictory Function

Valedictory was scheduled on 15th February in seminar hall. Our alumni Mr.Shankar Sonawane, (Director, Asian Institute of Industrial training Sinnar) joined us in this function and share his brief insight regarding event. The wonderful participants who have turned up in such overwhelming numbers were 1500+.

In all the events, winners were awarded with prizes and certificates. Students' coordinators and Volunteers were awarded with appreciation certificates. Mechazzmo unforgettable imprints remain with us.

We have been fortunate enough to be backed by a team of very motivated and dedicated faculties, who know their job and are result oriented. We are glad the efforts put in by everyone have bared us the fruits.

We extend our most sincere thanks to the entire MESA family for their incessant support, guidance for making Mechazzmo 2018 a great success.

Thank you!!!!!!!
